YOPAC *Transportation Scholarship Program*

Program Description:
Through the Transportation Scholarship Program, Youth Outreach for the Performing Arts Center (YOPAC) hopes to increase student access to performing arts events by removing or alleviating a major economic barrier (transportation costs) that prevents schools from attending performances. The program provides scholarships to schools demonstrating financial need to offset all or part of the transportation costs associated with attending a school matinee performance at the Performing Arts Center (PAC).

Transportation Scholarship/Subsidy Policies:

- Scholarship awards are assessed on a first come, first served basis with the following considerations:
  - Title I school status
  - Geographic location of school applying for funds (driving distance) *SLO County ONLY*
  - Overall demonstrated need
- Eligible schools may receive transportation funding for one performance per academic year
